Finney Attends KEY Leadership Conference

Rebecca Finney

REBECCA FINNEY was among 17 Kansas student delegates to attend the 2nd annual Kansas Electric Youth (KEY) Leadership Conference, held June

5-8 in Topeka. Finney, a junior from Beloit Jr./Sr. High School, was selected to represent Rolling Hills Electric Cooperative at this exclusive leadership conference through a competitive application process that evaluated the leadership ability, community involvement, and academic

accomplishment of each candidate. Winners were selected based upon application data, a written essay, and scores on an open-book electric cooperative exam, as well as an in-person interview process.

“Rolling Hills Electric Cooperative is honored to sponsor our co-op’s youth in developing their leadership capabilities at the KEY Leadership Conference,” said Doug Jackson, general manager. “We continue to look to programs like these to provide our future leaders tools to advocate for their cooperative communities throughout their professional lives.”

The four-day conference focused on the fundamentals of leadership and

- ▶ Is authorized by a Member Entity to serve as a Trustee, if the Member Entity occupies and uses a Cooperative Service at a location within the Trustee District from which the Trustee is nominated or elected for at least 10 months out of every year. If authorized by a Member Entity to serve as a Trustee on behalf of the Member Entity, the authorized Trustee Member must also receive a Cooperative Service at that individual Member's primary residential abode within the Trustee District from which the Trustee is to, or does represent for at least 10 months out of every year;

maintaining energy-producing or selling facilities. However, the Board may grant exceptions for "de minimis" competing enterprises;

The boundaries of Trustee Districts shall be depicted on an official territory and Trustee District map adopted and approved by the Board of Trustees of the Cooperative. The official territory and Trustee District map shall be maintained, for Membership review and inspection, at the Registered Office of the Cooperative. For an equitable representation of the Members, the number of Members represented by a Trustee within each Trustee District must be within twenty (20%) percent of the number of Members represented by a Trustee within every other District. A Trustee's term commences with the adjournment of the Annual Meeting at which the Trustee was elected, or if appointed, then at the time of appointment. A Trustee's term, if the Trustee is not re-elected expires upon the adjournment of the applicable Annual Meeting at which the Trustee's position is elected. If no Trustee is elected at the Annual Meeting, then the Trustee's term ends upon the election and qualification of a successor Trustee. A Trustee may serve no more than four (4) successive three-year terms, provided that he or she is duly nominated, or otherwise placed on the

ballot as permitted by these Bylaws of the Cooperative and re-elected by the Members at the conclusion of each successive term. Completion of an unexpired term, by an appointed Trustee, does not constitute a 3-year term for purposes of determining whether a Trustee has served more than four (4) successive three-year terms.

SECTION 5.7. NOMINATIONS OF TRUSTEES. All nominations for the election of Trustees must be by petition. To be placed on the ballot for election as a Trustee, a Nominating Petition containing the signatures of at least twenty (20) non-suspended Members of the Cooperative, who live in the nominee's District, must be filed at the Registered Office of the Cooperative on or before the close of business on November 30. If the Registered Office is not open for business on November 30, then the Nominating Petition must be filed on or before the close of business on the last business day of November that the Registered Office is open. The Nominating Petition must state on each page thereof the name of the Member being nominated and the District and position for which the nominee is being nominated. Additionally, the Nominating Petition must contain the printed name of the signing Member, that Member's signature, and address, and be dated within 60 days prior to the November 30 deadline.

If timely filed, the Secretary will forthwith determine the validity of the Nominating Petition, and if certified to be valid, and provided the nominee meets the qualifications to be nominated and elected as a Trustee, the Secretary will cause the name of the nominee to be placed on the ballot for the next Trustee election. Only the names of the properly nominated and qualified nominees for each District will be placed on the ballot. The candidates' names will be placed on the respective ballots in alphabetical order.

If the Secretary determines that the timely filed Nominating Petition(s), having at least 20 signatures for a nominee,

What to do before using a PORTABLE GENERATOR

Prepare

Install battery operated carbon monoxide (CO) alarms throughout your home; ensure they are working properly.

Position

Place a portable generator at least 20 feet from windows and doors; do not use one in a garage or carport.

Read

Carefully review and then follow all manufacturer's instructions.

Protect

If it is wet outside, keep it dry by placing it on a tarp. Position it under a portable canopy (not a carport).

Refuel Safely

Turn off your portable generator and let it cool down before refueling.

Inspect and Maintain

Inspect a portable generator before each use and make sure it is properly maintained.

Using a portable generator can be useful during an outage; however, use one correctly to prevent CO poisoning and to stay safe.

is defective, solely because there are not 20 Member signatures, then the nominee and/or the person delivering the Nominating Petition, if not the nominee, will be forthwith notified of the deficiency. The nominee or the person delivering the Nominating Petition, if not the nominee, will then have 15 business days, from the date of notification, to obtain the additional Nominating Petitions needed to meet the required number of Member signatures (20). If additional signatures are obtained on one or more Nominating Petitions, timely delivered to the Cooperative's Registered Office, the Secretary will again determine the validity of the Nominating Petitions submitted on behalf of a nominee. If the collective Nominating Petitions, are then certified to be valid, and if the nominee meets the qualifications, to be nominated and elected as a Trustee, the Secretary will cause the name of the nominee to be placed on the ballot for the next Trustee election.

If a question is raised as to the validity of a Nominating Petition or Petitions or the qualifications of a candidate to be nominated and elected as a Trustee, the determination will be made by a majority vote of the Board, after a review of the facts and circumstances giving rise

to the question. Purely technical reasons will not be used as a basis for disqualifying a nominee. The decision of the Board, if based on competent information shall be final.

Failure of strict compliance with the provisions of this Section shall not affect the validity of any election of a Trustee.

No nominations may be made at or from the floor of a Member Meeting.

SECTION 5.8. ELECTION OF TRUSTEES.

The election of Trustees shall be by Mail Ballot with a Member Meeting. Only the names of those candidates nominated in accordance with these Bylaws will appear on the ballot. There may be write-in votes for a qualified Member not named on the Mail Ballot. The Secretary shall cause the Mail Ballot with a Member Meeting to be delivered in accordance with Bylaw Section 4.4 to those Members qualified to vote as of the Record Date. The Board may provide general information with regard to the Trustee election process as well as general candidate information to the Members with their notice of Member Meeting with Mail Ballot. Failure of strict compliance with the provisions of this section shall not affect the validity of any election of Trustees.

hands-on engagement with students representing Kansas communities. Activities included a night tour of the State Capitol, electric safety demonstration at FreeState Electric, and tour of the Brown v. Board of Education National Historical Site. The students attended interactive workshops to help prepare them for success as future leaders, including seminars on online reputation management, budgeting and investment, energy efficiency and the transition between high school and higher education.

Student leaders explored how to be a force for political action with state legislators Rep. Steven Johnson and Rep. Kyle Hoffman, alumni of the electric cooperative youth programs who participated as guest speakers and gave the students the tour of the Kansas State Capitol. They answered questions from the students ranging in topics from describing a typical day in the life of a legislator to why they decided to enter public service, and school and career advice for the students.

Other speaker highlights included Kansas City Chiefs mascot Dan Meers with an inspiring presentation titled "Wolves Can't Fly."

For Finney, attending the conference as a representative of her cooperative was a motivating experience, saying, "Attending this conference has inspired me to try and get out of my comfort zone more often."
