

ABOUT 52 //,1? #/6

Rolling Hills Electric Cooperative, Inc. is a member-owned electric cooperative providing service to 11,200 meters in parts of 16 northern and north central Kansas counties. The corporate office relocated to Beloit, Kansas in 1997. The cooperative operates approximately 6,400 miles of line.

Rolling Hills Electric Cooperative, Inc.

Members of Smoky Hill Electric, NCK Electric and Jewell-Mitchell Electric gave their approval to the consolidation of the three cooperatives. Rolling Hills Electric Cooperative, Inc. was the name chosen to identify the areas in which we serve effective January 1, 2002. At the time of consolidation, Smoky Hill Electric served approximately 2,900 meters over 1,500 miles of line in Ellsworth, Lincoln and portions of Russell counties. Jewell-Mitchell Electric served approximately 4,670 meters over 3,100 miles of line in Jewell, Mitchell, Osborne and Smith counties. NCK Electric served approximately 3,000 meters over 1,800 miles of line in Cloud, Republic and portions of Washington and Clay counties.

With the consolidation, Rolling Hills Electric Cooperative, Inc. became the third largest cooperative in Kansas.

Rolling Hills Electric Cooperative, Inc.
